

### What we do well.

- Work with parents to support children the best we can
- Create a supporting and nurturing environment for all our children.
- Promote well-being and confidence
- Provide targeted and purposeful interventions
- Target children's individual needs.
- Work collaboratively with all parents and children
- Make successful links with outside agencies.
- Support smooth and positive transitions.
- Use specialised programmes of learning to support specific children.
- Link with our local Secondary Schools

### What our children say about our school...

'The teacher's always make learning fun and give us stuff to help us in lessons' - Charlie (Year 2)

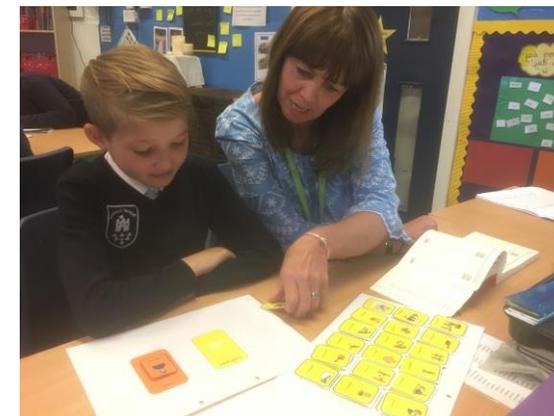

'We play some really good games to help our learning - Lacie (Year3)

'If I find things difficult, the adults always support me and teach me in a different way so I can understand - Joseph (Year 6)

### Special educational needs & disabilities Parent information booklet 2019-2020

Bulphan C of E Academy

*'God's word is a lamp to guide our feet and a light for our path'*  
- Inspired by Psalm 119:105

At Bulphan, we pride ourselves providing a positive and empowering school life for all our children. We accept and celebrate that each child is an individual and provide a safe, secure and creative learning environment where children can mature and grow into successful learners and happy individuals!

### Our work with you and your child

We work closely with parents and carers as we recognise that this leads to the best outcomes for each child. Before your child starts school, we make links with yourself and the pre-school provision. This ensures we are fully informed on your child's needs even before they begin their journey with us. We assess each child as soon as they start school life with us so we can then cater for their individual needs and plan for them to reach their full potential.

We have an open door policy - feel free to come in and chat face to face or on the phone. We regularly use home-school diaries and weekly 'Star of the Week' Workshops to celebrate achievements. Also, there are regular workshops throughout the school year such as maths workshops and E-Safety Workshops to allow you to feel at home in the school and understand how Bulphan is supporting your child.

We will hold formal meetings with you and your child about their progress and create a tailored and specific education plan to help them reach their goals - these are known as One Plans. These plans are centred around the child, their views and needs and what we can do best to support them. This is then reviewed twice a year with you, your child and anyone else who helps them learn. The adults in school also use this to help us in Pupil Progress meetings and in annual school reports.

We have a Pupil Parliament, Prayer Group and Prefects in order to allow our children's voices and views be heard. We also have children acting as buddies in order to help our younger children.

### Our staff expertise

We have an experienced well-knowledgeable staff who are committed to supporting all children within the school including children with SEND. All our staff are dedicated to the wellbeing and progress of each individual.

We use a range of plans for the children to meet their aspirations. We have child friendly learning ladders, One Plans to support learning which include aspirations, consistent management plans and behaviour support plans to help children make the right choices with their behaviour. Similarly, we have a robust behaviour procedure in place..

The schools named Inclusion manager is Anita Leonard and the named SENCo is Terri Fitter. However, all staff at Bulphan work together to ensure children reach their full potential and are responsible for their progress.

### Our Partnerships

At Bulphan C of E Academy, we work closely with other professional partners.

Our Educational Psychologist is **Ruth Lubel**

Our Speech and Language Therapist is **Amelia Cole**

Our SEN Monitoring and Support Officer is **Heather Chang**

### Our Policy
