This week we have been taking part in Anti-Bullying week by exploring the theme

'It's Cool to be kind'

The children have enjoyed taking part in a range of activities from arts and crafts and drama to story writing, to help them understand why it is so important to be kind and treat others as we wish to be treated ourselves.

The children all took part with such enthusiasm and were really keen to celebrate their uniqueness.

We are really proud of you all! Well done!

Parents teacher meetings

You should all have received an email this week with the time slot you have been allocated for your parent teacher meetings. Please be aware that as we have limited phone lines within the school you may receive your call from an unknown number.

Pupil Parliament

Our new Pupil Parliament Ministers were announced today to replace those who have stepped down or left. Here they all are looking very proud! Well done to you all for your successful application and appointment!
