Christmas video permission

Dear Parents/ Carers,

As Christmas is rapidly approaching we have been spending time thinking about how we can keep traditions as 'normal' as possible under the current guidelines.

As we cannot host a Nativity Production or Church Christmas Service we have decided to create a Christmas video for everyone to watch in the comfort of your own homes and alongside your children.

We will be posting the video on YouTube for you to view. Links to these videos will be provided to parents via email. The video will be 'unlisted.' This means that only those people who have the link can view them.

We would ask that:

- the video is shared in your family home only
- links are not shared with anyone
- you do not record or take screen shots of the video's in any way
- you do not share any pictures etc on any other social media platforms.

We are aware of those children who have previously requested not to be filmed and in some cases class teachers will make contact to clarify this with you personally. By no means will any child be excluded from any of the experiences but we will ensure that they do not appear in any filming.

We will assume that anyone who has given permission in the past for use of pictures on social media is fine for their child to take part. Of course, if this is different we would ask that you let us know by **Monday 7th December**.

We hope that you enjoy the next few weeks in the run up to Christmas. We certainly hope to!

Stay safe and well.

Yours faithfully,

Miss. S Finch
Headteacher
