Dear Parents/ Carers,

Following the latest announcement from the Government last night about the new national lockdown, I am writing to inform you that all learning will remain online until at least the February half term. School will continue to be open for vulnerable and key worker children.

We will continue to meet with the children via TEAMS daily at the times given, and set their work through the assignments section.

We have been thoroughly impressed with the level of engagement from our children and families, and thank you all for your continued support in these challenging times.

We will of course keep you updated as soon as we have any more information to share with you.

Please continue to stay safe and take care.

Kind Regards,

A handwritten signature in black ink that reads "S. Finch".
