

Captain Sir Tom Moore 100km Challenge

We were so sorry to hear of the passing of Captain Sir Tom Moore last week. We know that that he had been seen as a beacon of hope during the pandemic. His words 'tomorrow will be a good day' gave us all hope for the future, which is important in helping us get through this difficult time.

As a tribute to his life and his inspirational challenge of walking 100 lengths of his garden, which raised over £32million, we are setting ourselves the **challenge to walk 100km collectively as a class.**

The aim is that we would like to challenge each class to work together to walk 100km. This is just over 60 miles and works out to be about 2 miles per family. Therefore, if we help each other, we can achieve this!

We would love you to help us by taking part in this memory walk which will run from **Monday 8th February until Sunday 28th February.**

Your walks could be completed inside, in your garden or on walks in your local area.

You can use an app on your phone or fitness watch to record how far you've walked. How you collate your length of walks is up to you!

If there are 4 of you in your family and you walked 1 mile that's actually 4 miles between you all!

Please email the school office with the total number of kilometres you walked on Monday 1st March so that we can collate each classes total.

We'd love to see any photographs too– please email them to the school office.

Good luck!
