*God's Word is a lamp to guide our feet and a light for our path.
Inspired by Psalm 119:105*

Dear Parents / Carers,

This week we have been busy preparing for the children's return to school next week. We are all very much looking forward to welcoming the children back and hearing the sound of children learning and laughter filling the corridors! Please see a reminder below for the timings of the day. Remember that if you have siblings you can come at the earlier time for drop off and pick up.

	Drop off timing	Pick up time
Upper School	8.30am –8.40am	3.15pm – from main school gate
Middle School	8.45am –8.55am	3.00pm – from main school gate
Lower School	9.00am	3.10pm – from lower school garden gate

This week we also celebrated World Book Day. Although we were not able to be in school together the children all took part with such enthusiasm. It was wonderful to see such amazing costumes when the classes met on their Teams sessions on Thursday. The staff all enjoyed the day and were all so impressed with work children completed. These are just a few photos of the day. We have been adding photos as they come in to our school website , so you can see them all there!

Thank you so much for joining in with our 100km challenge walk for Sir Captain Tom Moore!

We were so impressed with the level of engagement with this. Collectively, we walked an amazing 3913km! Completely, smashing our goal of 100km per class!

Sir Captain Tom Moore truly was an inspirational man and we are very proud of you all for taking part in this challenge as a tribute to his life and his inspirational challenge.

See you all on Monday!

Miss Finch

Headteacher

Road Rangers

EYFS and KS1 Road Rangers Key points-

- Holding hands
- Wearing protective and bright clothing
- Importance of car seats.
- Advice for parents around teaching their children best practice for walking, scooting, car seats and also around parking on zigzag lines outside of schools.

KS2 Safer Steps Key Points-

Safer Steps follows Lilly, Dexter and Joel through a journey of discovery learning all about the green cross code, staying visible and different types of controlled crossings in a fun and interactive way.

This on-line comic can be used by years 3 and up but will also support the essential practical pedestrian training which we offer to all year 5 pupils. The link to the resource can either be sent home for pupils to use as homework or accessed in the classroom.

The free on-line resources can be found at-

Road Rangers: <https://theroadrangers.co.uk/>

Safer Steps: <https://safersteps.co.uk/>

Username: essex

Password: saferroads4all (The same username and password will access both.)
