*God's Word is a lamp to guide our feet and a light for our path.
Inspired by Psalm 119:105*

Dear Parents / Carers,

It has certainly been a busy two weeks back at school. It feels like we were never away and we are so pleased with how well the children have settled back in to school life. It has been lovely to see all of the children and hear the sounds of laughter and learning in the corridors, just as a school should be!

The children have all been working so hard and all of the staff are so proud of the way they have all bounced back!

Easter Egg Hunt

Easter will be a little different this year as we are unable to hold whole school Easter Celebration events. To make sure the children still get the opportunity to join in with some Easter fun, we will be holding bubble friendly Easter Egg hunts for each class during the last week of term. The PTA have kindly donated an Easter Egg for every child, that they will bring home with them to enjoy!

We are all very much looking forward to joining in with this event. The staff are keen to know if they will also find an Easter egg on the Easter Egg hunt!?

Individual School Photographs

We have booked individual school photographs for Tuesday 20th April. These will be carried out following our Covid Risk Assessment so that all photographs can be taken safely.

Parent teacher meetings

We would usually hold parent teacher meetings in March. We have postponed these and will be holding them in April. More information will follow after the Easter break detailing dates and timings.

I hope you all enjoy a lovely weekend.

We will see you all on Monday!
