23rd March 2021

Dear Parents and Carers,

As a part of your child's education, we promote wellbeing and personal development through our PSHE curriculum. This subject area, embedded in all that we do, gives young people the understanding, attitudes and practical skills to live a safe and healthy life, allowing them to flourish and shine.

Recently, the DfE have announced changes to this subject, which all schools are required to comply with, to include a section known as RSE. Full details can be found here: <https://www.gov.uk/government/publications/relationships-education-relationships-and-sex-education-rse-and-health-education>

With this in mind, we have reviewed our PSHE curriculum and policy to ensure our provision is **age appropriate, inclusive and sensitive** - enabling all children to access this essential learning. We will be using Jigsaw which is a comprehensive scheme of work that takes a mindful approach towards nurturing children's emotional literacy.

As a school community, we are committed to working in partnership with our parents and carers and therefore we would like to invite you to view our draft policy including curriculum intentions available by clicking here <https://www.bulphanprimary.thurrock.sch.uk/wp-content/uploads/2021/03/South-Essex-HUB-PSHE-Policy-Consultation-phase.pdf>

If you have any questions after reviewing the above documents please email us by **Monday 12th April**. Please send any comments or questions to admin.bulphan@dcvst.org.

Yours sincerely,

A handwritten signature in black ink, appearing to read "S. Finch", is enclosed in a light grey rectangular box.

Miss Finch
