# Newsletter

Friday 21st January 2022

*God's Word is a lamp to guide our feet and a light for our path.*

*Inspired by Psalm 119:105*

Lower school have had lots of fun in music this week. They have been exploring instruments and learning to sing a new song 'In the Groove'.

Year 1 have done a wonderful job of playing glockenspiels in time with the music whilst reception have provided angelic vocals to accompany them!

They are looking forward to performing their song to me next week– I can't wait to see it! Keep up the super work Lower School.

## COVID update

Following the latest government announcement around guidance for COVID -19 procedures, we will be reviewing our risk assessments next week. We will update you with any changes made in due course. Until then, please continue to wear face coverings when visiting the school site and phone/email the office if you wish to speak to a member of staff. Thank you for your continued support.

## Absence Procedures

If your child is absent from school please ensure that you contact the school office on the first day of absence before 9am and every day your child is absent. There is a legal requirement for us to know where every child in our care is on a school day. If an absence is planned, for example, a doctors appointment, please always inform the office rather than the class teacher.

## Clubs

An update on clubs was sent today. Please read the letter for further information.

Have a lovely weekend!

Miss Finch

Miss Taylor

Executive Head teacher

Head of School
