Dear Parents/Carers,

We are writing to inform you of the impending statutory assessments that your child will undertake in May, which are now confirmed as going ahead this year. This year the SATs will take place during the week beginning: Monday 9th May 2022. Although this appears to be some distance in the future, it is only 13 school weeks until the tests, in a time of attendance uncertainty.

We aim to give your child every possibility of succeeding in these tests, and would like to invite you to download these resources in order to support them in reaching their full potential.

As a face to face SATs meeting is not currently possible due to Covid-19 restrictions, we are happy to answer any questions that you have via phone or email. The children will receive every possible intervention and quality first teaching in school, in order to prepare them for what will be unknown/unseen assessment papers. We would appreciate you supporting them at home also. Together we will climb this mountain!

Every child has a <https://www.activelearnprimary.co.uk/login?c=0> Bug Club log in and password. This resource encourages the children to read online. By clicking on the little green bugs, the children will be exposed to comprehension questions – another important skill that they will require in May. Your child's login details are unaltered.

As always, your children will continue to be issued spellings per week. These spellings are the statutory words for KS2.

Likewise, the children can access a range of diverse, high-quality reading books from within the classroom and school library. Regular reading, both in school and at home, will contribute to the expansion of their vocabulary choices and creativity as an author.

Your children have been issued with SATs Busters in Mathematics and English to complete each week as homework. Please encourage this where possible. You can also complete this work online at <https://www.cgpbooks.co.uk/resources/ks2-sats-online-10-minute-tests>.

Any problems, questions or concerns please speak to the class teacher.

Yours sincerely
