Our Vision

At Bulphan we celebrate the uniqueness of every child of God in our Christian community and encourage them to flourish and shine in all they do, preparing them for life's journey.

"God's word is a lamp to guide our feet and a light for our path"

Inspired by Psalm 119:105

At our school, we recognise the importance of both the academic and personal development and well-being of every child in our school. This includes recognising the importance of providing a range of opportunities for our pupils to respond to, that supports their spiritual, moral, social and cultural development and including global education themes.

We recognise that the personal development of pupils, spiritually, morally, socially and culturally, plays a significant part in their ability to learn and achieve. We therefore aim to provide an education that provides pupils with opportunities to explore and develop their own values and beliefs, spiritual awareness, high standards of personal behaviour, a positive, caring attitude towards other people, an understanding of their social and cultural traditions and an appreciation of the diversity and richness of the cultures.

All members of the school community are encouraged to develop into responsible citizens through the implementation of modern British Values. Modern British Values are shared through the thoughtful and wide-ranging promotion of the children's SMSC development, enabling them to thrive in a supportive, highly cohesive learning

Aims

- To embrace the spiritual, physical, intellectual, emotional, moral and social development of children, young people and adults.
- To embed a clear understanding of SMSC within a Christian Church School context.
- To provide a broad and balanced curriculum that promotes SMSC development of all pupils.
- To ensure that the provision for pupils in SMSC is highly effective and has an impact across the curriculum.
- To ensure that everyone connected with the school is aware of our values and principles.
- To ensure a consistent approach to the delivery of SMSC issues through the curriculum and the general life of the school.
- To ensure that a pupil's education is set within a context that is meaningful and appropriate to their age, aptitude and background.
- To ensure that pupils know what is expected of them and why.
- To give each pupil a range of opportunities to reflect upon and discuss their beliefs, feelings and responses to personal experience.
- To enable pupils to develop an understanding of their individual and group identity.
- To enable pupils to begin to develop an understanding of their social and cultural environment, and an appreciation of the many cultures that now enrich our society.
- To give each pupil the opportunity to explore social and moral issues, and develop a sense of social and moral responsibility.
- To ensure that British Values are frequently and purposefully promoted

Our curriculum

All curriculum areas have a contribution to make to the child's spiritual, moral, social and cultural development and opportunities for this will be planned in each area of the curriculum.

Christian spirituality and Christian values and principles are explored, especially in RE/Collective Worship, but the integrity and spirituality of other faith backgrounds is also respected and explored.

The diversity of spiritual traditions is recognised, and pupils are given access to alternative views.

All adults model and promote expected behaviour, treating all people as unique and valuable individuals.

The school community is a place where pupils can find acceptance for themselves as unique individuals and where forgiveness is fundamental to the ethos of the school.

Pupils learn to differentiate between right and wrong in and how their actions may affect other people. They are encouraged to value themselves and others.

Pupils are supported to understand the need for rules and the need to abide by rules for the good of everyone.

School and classroom rules/codes of conduct reflect, reiterate, promote and reward appropriate behaviour and provide opportunities to celebrate pupils' work and achievements.

All curriculum areas seek to use illustrations and examples drawn from as wide a range of cultural contexts as possible. This is reflected in planning and purchasing decisions.

This policy has been formally adopted by the Local Schools Board, in consultation with the Headteacher. It is consistent with the Christian foundation of the school as expressed in the Trust Deed and School Ethos Statement.

Spiritual, Moral, Social and Cultural development (SMSC)

(NB whilst each dimension is outlined separately there is a great deal of overlap between the four areas).

Spiritual development

In keeping with our Vision, we recognise at Bulphan that we are all created in God's image yet are all unique. We believe spirituality is a sense of being at peace with ourselves and others and enables us to connect with God, the community and the wider world, giving meaning and purpose to life. Nourishing spiritual development allows individuals to flourish in body, mind and spirit meaning we can be a better version of ourselves.

Spiritual development is concerned with developing the non-material aspects of life, focusing on personal insight, values, meaning and purpose. Beliefs that help provide perspective on life may be rooted in a religion, but equally may not. Children explore the fundamental British Value of exploring and respecting the values and beliefs of others.

The Spiritual development of all our children is addressed through the Christian vision and values of our school. As a church school we address spiritual development through prayer, Christian worship, celebration of Christian festivals and learning about those of other faiths, reading and reflection on the Bible within Collective Worship, RE and across the wider curriculum.

We are committed to:

- Celebrating the religious and non-religious beliefs and values that our pupils bring as part of their family/culture heritage and to building an awareness of and respect for others' spiritual and religious beliefs
- Fostering common human values and building spiritual capacities to promote self-worth
- Promoting Self-esteem and valuing others

Cultural Development

Children develop the fundamental British Value of exploring, understanding and tolerance regarding the diversity of cultural traditions and beliefs of others. We value and celebrate the cultural diversity of our school, our society and the world by:

These deeply rooted values, alongside our commitment to promoting children's spiritual, moral, social and cultural development, we are able to actively promote British Values.

Monitoring & Evaluation

The planning and co-ordination of SMSC are the responsibility of the Executive Headteacher/Head of School who also:

- Supports colleagues in their teaching, by keeping informed about current developments and by providing a strategic lead and direction for SMSC.
- Works to ensure SMSC has a high profile in school improvement and forms part of school improvement plans.
- Speaks to children and other stakeholders about different elements of SMSC and uses this to inform future planning.
- Reviews planning of SMSC across the curriculum, evidence of pupils' work and to observe elements of SMSC across the school.

APPENDIX B

SMSC – A CHRISTIAN PERSPECTIVE

SPIRITUAL DEVELOPMENT:

Spiritual Development in a Church School can enrich and encourage the child's journey towards a discovery and deeper understanding of our 'inmost being', God our Creator and the wonder of the world around them.

'Let us run with perseverance the race marked out for us, fixing our eyes on Jesus, the pioneer and perfecter of faith.' Hebrews 12:1-2

'For you created my inmost being; you knit me together in my mother's womb. I praise you because I am fearfully and wonderfully made; your works are wonderful.' Psalm 139 V 13-14

MORAL DEVELOPMENT:

Moral Development in a Church school should allow pupils opportunities to explore issues from a wide range of viewpoints. Underpinning all investigation, discussion, reflection and evaluation are the teachings of Jesus Christ, offering pupils a foundation stone on which to build their lives. The voice of Christianity should be heard clearly throughout.

'As obedient children, do not conform to the evil desires you had when you lived in ignorance. But just as he who called you is holy, so be holy in all you do; For it is written; 'Be holy, because I am holy'' 1 Peter 1:14-16

'Since you are my rock and my fortress, for the sake of your name lead and guide me' Psalm 31: 3

SOCIAL DEVELOPMENT:

Social Development in a Church School should develop children's understanding of what it means to live in a Christian community where Jesus' command to love one another is put into practice.

'Just as a body, though one, has many parts, but all its many parts form one body, so it is with Christ.' 1 Corinthians 12:12

'May the Lord make your love increase and overflow for each other and for everyone else.' 1 Thessalonians 3:12

CULTURAL DEVELOPMENT:

Cultural Development in a Church School provides opportunities to develop an understanding of Christianity as a worldwide multi-cultural faith and an appreciation of the diversity of beliefs and cultures across the world.

'There is neither Jew nor Gentile, neither slave nor free, nor is there male and female, for you are all one in Christ Jesus' Galatians 3:28

Appendix C – Core Christian Values and British Values

Our School's Christian Values

Through Jesus Christ we learn to love, grow in wisdom and perseverance and to share friendship and respect. Inspired by our Christian values, we aim to encourage the children's enjoyment of learning for life and to take pride in all they do.

Love

Love is a core Christian value. The English word "love" has many different meanings, but the Greek word, agape, used in the New Testament, is commonly known as "Christian love." At Bulphan Academy, love means respect, affection, good-will and selfless concern for the wellbeing of each other.

Wisdom

The Bible talks of wisdom as a gift from God. Wisdom is about being prepared to listen to the advice of others, thinking before you speak and choosing silence over words. At Bulphan Academy, wisdom involves considering others, deliberating over the issues, reflecting on the long view and taking into account all possible consequences.

Friendship

'Greater love has no one than this that he lay down his life for friends'. At Bulphan Academy, we encourage children to make deep and satisfying friendships. We help children who are having problems with their friendships. We teach children that Jesus is our friend who likes us and enjoys being with us.

Perseverance

'And when Jesus had fasted forty days and forty nights, afterwards He was hungry'. At Bulphan Academy, we encourage the children to keep going even when things are tough. We ensure that the work we give children is challenging enough that all children have opportunities to develop persistence –we want all children to experience success.....but also to appreciate that sometimes success involves struggle. We tell the children that God's love for them endures for ever...whatever they do.

Respect

The Bible teaches us to show the core Christian value of Respect to God, our neighbours and the World around us. As we are made in God's image, by showing respect and consideration to those around us, we are, in turn, honouring God himself. At Bulphan Academy, this means showing care and consideration for ourselves, the pupils in our school and to the adults, parents and wider community who support us in our learning. This way, we can grow together in God's love, show dignity and understanding to those around us and celebrate the value of each and every individual.

Appendix D – Opportunities for spiritual, moral, social and cultural (SMSC) development across the curriculum

The work of the school is underpinned by strong Christian values. This includes character education. It is often the case that our children come into our school with limited experiences of other cultures and faiths different to their own and limited knowledge of the world beyond their locality. Because of this we have designed a curriculum to provide a range of experiences that enable our children to be prepared for life in modern Britain. For example, we take our Key Stage 2 children to a national singing event at the O2 every year, we have links with a Kenya school and have visits to and from the visitors from the country each year, we have joint residential trips with our HUB schools for our Upper school children every year. We take our children on trips to London to the theatre and to museums. We visit Southend seaside with our youngest children so that they can see a different locality. These are just a few examples.

We pride ourselves on ensuring that our children are offered a wide range of experiences, we follow the mantra **‘small school: big opportunities!’**

British values are embedded into the school’s program of worship through the use of Picture News. Healthy lifestyles are promoted through PE, the provision of a range of after school and lunchtime clubs that are well attended. Healthy snacks and packed lunch policies are in place and all families adhere to the school’s expectations.

Pastoral support is strength of the school. Staff know each child in depth. Individual support is provided for pupils at break and lunch times to respond to their social needs. For example, Lunch club, Fit club, and Mindfulness. Pupils are provided with small group support to develop social skills or to deal with emotional issues. These are completed in class or through ‘bubble time’.

Pupil Parliament ensures that pupils have a voice in the school. For example, in the last year, pupils set up a system to promote reading at home and organised and promoted several charity fundraising events.

Physical health and mindfulness sessions are led by pupils each lunchtime to support pupils’ mental health needs
