Dear Parent/Carer,

Re: NEW – Online Parent Portal - Reception Health Checks & Results

We recently wrote to you with details of your child's school health checks taking place this academic year; hearing and vision, the National Child Measurement Programme, and health questionnaire. Over the last few months, we have been working on changing the way we communicate with you about your child's health information

We are pleased to announce a new, secure online parent portal which eliminates the use of paper, ensuring safer, quicker access to your child's results. The portal enables you to withdraw your child from a health check or view their results, complete a health assessment, and access information or support on a range of health topics.

Once your child's hearing, vision or growth check has been completed, the results will be available on your secure parent portal. **We are therefore inviting all Reception parents to register on the SchoolScreener Parent Portal.** Registering is essential for accessing your child's results. If you would prefer to receive the result letters by post, please let us know at thurrockschoolhealth@nelft.nhs.uk or call 03003001526.

Please click on all three links below (one for each health check). You only need to do this once, after which you simply logon, and the health checks will be linked to your portal. (Please note: the links are not supported by Internet Explorer).

STEP 1: Register for an account and view/complete the **health assessment** via the following link <https://app.schoolscreener.com/Portal/#/1234567789/p/nfh91/144603>

STEP 2: You will receive an email to **confirm your account and set a password.**

STEP 3: Register to view the **hearing and vision** information via <https://app.schoolscreener.com/Portal/#/1234567789/p/nh115/144603>

STEP 4: Register to view the **National Child Measurement Programme** information via <https://app.schoolscreener.com/Portal/#/1234567789/p/hN130/144603>

If you have any questions regarding your child's health checks, please contact us at thurrockschoolhealth@nelft.nhs.uk or call 03003001526. For questions regarding the parent portal, or issues logging on, please visit <https://parentsupport.schoolscreener.com/portal/en/kb/parentsupport>

Your faithfully,

Healthy Families - School Health

ZZ HNA Test School

NELFT NHS
NHS Foundation Trust

2021-22 Year 6 Health Needs Assessment
Age given: Year 6

Welcome to the NELFT School Health Service Parent Portal

Our School Health team invites you to register on this portal to read further information about the Year 6 health screening that will be taking place in your child's school.

Please also take a few minutes to fill out our Health Needs Questionnaire which will help us review your child's health and development needs and offer appropriate health advice, information, and support.

The NELFT School Health Service works across education and health with the aim of improving the health and wellbeing of children and young people. Poor health is known to impact greatly on a child's education and future outcomes.

If you do not want your child to be screened there will be an opportunity for you to opt out in the portal, otherwise we will assume you are happy for your child to be screened.

The School Health team ensures that personal information relating to your child is kept securely and confidentially. Information will not be shared without your permission except in exceptional circumstances.

For further information please contact the team on:
Tel: 0300 300 1526
Email: thurrockschoolhealth@nelft.nhs.uk
Address: School Health Service, Grays Health Centre, Brooke Road, Grays Essex RM17 5BY
