God's Word is a lamp to guide our feet and a light for our path.

Inspired by Psalm 119:105

Spirituality

We have been exploring spirituality at school and what this means to us. We have decided to split it into three key areas that we want children to experience; Love, Our World and Awe and Wonder. This week, children worked together in worship to think of times they have experienced, helped or shared an experience that has effected them spiritually. The children worked in mixed aged groups and it was lovely to see children from across the school mixing. They talked about new experiences such as the caterpillars in Lower School and reminisced on past events such as the appearance of the dinosaur egg. We will be updating the board in the hall to share all of our spiritual experiences– have a look when you're in!

New Equipment

The children are loving the new equipment we have in school. Volleyball is a new favourite at lunchtime and Connect 4 battles have commenced! A massive thank you to the PTA for using the money raised at Easter to buy these for the children.

Construction club

If you have any boxes that can be used for junk modelling in construction club, these would be gratefully received. Please give them to your child's class teacher so we can make a collection. Thank you in advance!
