## Trip to Natural History Museum

Yesterday, Years 2,3 and 4 went to London to explore the Natural History Museum. We had the best day exploring dinosaurs, mammals, earthquakes, volcanoes and creepy crawlies! The children were fully engaged and represented our school beautifully.

## Car Park

It has been noted that people are using the staff car park at the end of the day and after clubs. This car park is for staff and those given permission by school. Thank you for your cooperation.
