St Giles and All Saints Church, Orsett**

*3pm*

*Churches Count on Nature*

We are celebrating wildlife in the churchyard by observing and recording the plants and animal we find.

CHURCHES  
COUNT ON  
*Nature*

Please come along and help us discover what wildlife is living in Orsett's churchyard.

Your results will be included in a national survey which counts wildlife in churchyards and beyond

*4pm*

*Forest Church*

Encounter God in the great outdoors: in the sky, the earth, the trees and the wildlife.

This service is for all, old and young and includes outdoor fun activities on a Biblical theme and worship around a fire.

The service will carry on even if it is raining so please dress appropriately. You should also bring along a rug or a chair to sit on.

I look forward to seeing you there.
