Dear Parents/Carers,

We have been learning about things that are hurting our planet such as bycatching, pollution, oil spillages, climate change/global warming, overfishing/illegal fishing, deforestation and infrastructure damage.

Learning about these problems has made us feel angry and sad because animals are dying and losing their habitats; the icebergs are melting and the sea levels are rising.

We would like to do something to try and help. We are going to be raising money for our chosen charity 'Cool Earth' who are fighting to protect rainforests. To do this, we are putting out DT skills to the test; sewing, sculpting and baking. We will be holding a sale of the products we make at **2.45pm on Wednesday 13th July** on the school playground.

We would like to invite all our parents and carers to come and support us in this event. Any donations made on the day will go to our charity and help protect our Earth!

Yours faithfully,

All the children in Years 2, 3 and 4.
