1. Introduction

This document sets out the Diocese of Chelmsford Vine Schools Trusts approach to school improvement.

2. Priorities for school Improvement

Development of the Christian character, vision and values of each school as a driver for school improvement through:

- Work with diocesan advisers
- Sharing expertise within the trust and with schools outside the trust
- Supporting RE leaders to deliver a relevant curriculum.

Provide broad curriculum entitlement that enables pupils to:

- Access all national curriculum subjects to a high standard
- Develop their spiritual, moral, social and cultural understanding
- Develop strong learning behaviours
- Be fully prepared for the next stage of their education.

Build Leadership Capacity through:

- The recruitment and retention of high-quality leaders
- Providing or facilitating training to develop leaders at all levels
- Providing robust performance management for all leaders
- Supporting senior leaders through coaching and mentoring.
- Ensuring that self-evaluation is accurate and informs school improvement planning
- Ensuring that school improvement plans are focused on the correct priorities and actions to address priorities are fit for purpose.
- Direct support for leaders from school improvement leaders, specialist leaders in education.

Provide Excellent Governance by:

- Providing training and support to governance members to enable them to be effective in delivering their responsibilities.
- Through an effective recruitment programme Working to ensure that Local Schools Boards consist of members with the right skill set enabling them to support and challenge the Senior Leadership in their schools
- Providing professional clerking to support the Boards, at all levels
- Providing opportunities for cross Trust networking/information/communication/ sharing thus ensuring consistency of reporting

Professional Development will be provided or facilitated to:

- Build leadership skills
- Develop staff subject knowledge and the understanding of pedagogy.
- Coaching leaders to find solutions
- Provide access to National Professional Qualifications, or other suitable training opportunities

Sustainability and effective resource management will be supported through:

- Efficient and effective use of resources.
- Support to manage finances to build sustainable school improvement.
- Provision of a stimulating school environment.

3. School Improvement Approach

Contributing to school improvement is the responsibility of all trust employees, and governors and trustees (central and school). School leaders will prioritise their schools but will also contribute to the development of other trust schools where they have the expertise and capacity to do so. The central school improvement team will support and challenge school leaders in relation to self-evaluation and school improvement and provide trust wide support through the provision of professional development.

School improvement leaders will work with the director of learning to categorise schools and allocate support which is proportionate to the level of need. Categorisation will be informed by:

- School self-evaluation
- School improvement priorities
- Pupil outcomes including academic achievement, behaviour and attendance
- The quality of the curriculum
- Inspection findings (Ofsted and SIAMs)
- Internal review outcomes
- Governance evaluation

Refer to table on next page for details of categorisation and possible responses.

4. Roles and Responsibilities

The Headteacher / Executive Headteachers:

- Are accountable for the education of the pupils in their school. They also have a responsibility to contribute to the improvement of the trust as a whole either personally or through the sharing of effective practice with their trust colleagues.
- Will complete robust self-evaluation and ensure that weaknesses are addressed through a robust school improvement process.
- Must exemplify the professional standards and create a culture where school improvement can flourish.
- Will ensure that workload is managed carefully so that staff are focused on meeting the needs of pupils in the school.
- Will ensure that a curriculum is delivered which is relevant to the needs of pupils and upholds the values of the trust.
- Promote high achievement in each subject in the curriculum and help underachieving groups to close gaps with all pupils.
- Will create a culture which promotes exemplary behaviour of the vast majority of pupils and supports those who find it difficult to regulate their behaviour to make improvements.

Vine Chief Executive Officer (CEO)

- The CEO is appointed by the Vine Schools Trust Board, the Accounting Officer. The CEO is responsible for working with trustees to set the strategic direction of the trust and is responsible for the day to day running of the Vine Schools Trust. The CEO has overall responsibility for the performance of schools in the trust.

Director of learning (DL)

- The DL will provide strategic leadership for school improvement and will line manage the school improvement team. The DL will lead the trust response for schools causing concern and support the delivery of professional development internally and with the trust's partners. The DL will report to the CEO and the trust board about the quality of education provided by each school.

School Improvement Lead (SIL)

- SILs will work directly with schools to support school improvement. Their role includes challenge and support. They will provide coaching, guidance, professional development and have a key role in the performance management of the most senior leader in a school.

Specialist Leader in Education (SLE)

- SLEs will be assigned to schools to support the development of curriculum leadership and to support the improvement of teaching and learning. They will also make a significant contribution to the trust programme of professional development and support school evaluation through their work in schools and through data analysis.

Chair Local Board/Local Schools Board (LB/LSB)

- The Chair of the LB/LSB has the primary responsibility amongst the local board/local governing body for the provision of support and challenge to the headteacher. They are responsible for ensuring implementation of and compliance with all delegated functions from the Vine Schools Trust Board.

Director of Human Resources (DHR)

- The DHR is responsible for all personnel issues across the trust, and this includes supporting headteachers to manage staff performance.
-

Vine Schools Trust Board

- Although most of the functions of running the academy are delegated to the Headteacher or LB/LGB, the Vine Schools Trust Board have ultimate responsibility and accountability. Therefore, if required they can exercise this responsibility at any time.

Vine Chief Operating Officer (COO)

- The COO is appointed by the Vine Schools Trust Board, the Chief Financial Officer is accountable for the financial and operational management of the Vine Schools Trust and its Academies. The COO provides strategic financial support to academy senior leadership teams and the LB/LGB including guidance around financial forecasts. The COO is the line manager for the TFM, TSM, TOM, ASO and TPA.

Vine Governance Lead (VGL)

- The VGL will support the development of effective governance across the trust.
- The VGL will provide advisory support to the Directors, CEO and DFO as and when required.

Safeguarding and Wellbeing Lead (SWL)

- The SWL is responsible for safeguarding across the trust. The SWL monitors the work of schools in relation to wellbeing and safeguarding closely to ensure that statutory requirements are met, and appropriate support is in place for pupils, parents and staff at our schools.

How schools will be supported by the central team:

- Each school will be allocated a SIL who will provide the equivalent of 7.5 days of support in each academic year. This will be a mixture of in person and online meetings to make the most efficient use of time.
Each school will have one day of support from a SIL for the HT performance management process.
- Each school will be able to access up to 9 days of SLE support for subject leadership and the development of teachers (including ECTs) in each academic year.
- The trust will allocate additional SLE days to schools with the greatest need.
- All schools will receive a development review every three years. This will be completed by a lead appointed by the DOL from the central team, school staff or an external partner. Senior leaders from our schools will contribute to the reviews as team members. We will aim for all headteachers to be involved in the process each year as a team member or through the review of their own school.
- All schools will receive a SIAMs preparation visit every three years.
- Each school will be able to access support from the DOL on all matters relating to school improvement and preparation for inspection. The DOL will monitor the work of the school improvement team and provide additional direct support for schools categorised as being at risk or support. The DOL will also moderate all school improvement plans and school websites for compliance and curriculum content.
- Each school will be able to access support and advice from the DHR in relation to the performance of staff employed at each school.
- Each school can access support from the VGL in relation to governance.
- Each school can access support from the SWL in relation to safeguarding and wellbeing matters. The SWL will also monitor compliance with statutory requirements relating to safeguarding.
- All schools will have free access to the professional development and updates provided by the central team. There will be a mixture of optional and mandatory training.

5. What happens when a school joins the Trust

Before a school joins the Vine Schools Trust the directors will carry out an assessment of the school's strengths and development areas. This is called 'Due Diligence'. This is so the Vine Schools Trust is in a position to provide appropriate support as soon as you join and so that the Vine Schools Trust is aware of where your academy can provide support to others.

Due diligence will report on the areas set out in **appendix A**.

Following the writing of the due diligence report the Headteacher, CEO, COO and DOL and VGL will meet with school leaders to plan for the integration of the school into the trust and to plan support for transition and ongoing school improvement.

6. Professional Development

The central team will provide a range of professional development opportunities to support school improvement. When planning professional development, consideration will be given to trust wide priorities, national developments and priorities and the needs of individual schools.

Professional Development activities may include:

- Supported moderation
- Courses (online or in person)
- Coaching and mentoring
- Modelling
- Work with groups of leaders or individuals in schools
- Access to opportunities outside of the Trust
