Young Voices

Yesterday, Upper School headed to the O2 to perform in this year's Young Voices concert. The children learnt songs prior to going, and joined 8,500 other children singing their hearts out to the audience during the performance. The children represented our school beautifully, showing all our Christian values. They sang, danced and cheered the whole night— as did the teachers! Thank you to all the families who joined us in the audience at the O2, we hope you enjoyed it. I think everyone will sleep well this weekend!

Dinosaur!

This week a dinosaur egg appeared in Lower School. The children worked hard to investigate, looking for clues about where the egg might have come from. The next day, footage of the dinosaur in our classroom was revealed, along with big dinosaur footprints! The children believe the dinosaur left the egg in our classroom because it was too cold outside, and came back for it once it was ready to hatch. Lower School have been super detectives and have loved finding out all about dinosaurs.

Uniform and accessories

We have noticed that an increasing number of children are coming to school with false nails/ gel polish on. A reminder that this is not permitted in line with our school policy and, should your child get them during the school holidays, they **must** be removed before returning to school. If your child attends school with nail varnish or fake nails going forwards, we will ask for them to be removed. Thank you for your co-operation.
