

### History- Ancient Greeks

In History, we will be learning about some of the key events that took place during the Ancient Greek time period and what life would have been like.

### Computing- Animation and effective searching

We will be learning how to use animation software and also how to search effectively.

### French- Clothes

This term we will be learning about different clothes and how to explain what your outfit looks like.

### Geography- Longitude and Latitude

In Geography this half term we will be learning how the sun rotates, locating the northern and southern hemisphere, the tropics and the equator and learning about time zones.

### Art - Photography

This half term, we will be learning about photography, learning to take photos with control, selecting and applying filters when editing and being creative.

## Year 4/5/6 Summer 1

### Music – ‘Music & Me’

This unit focuses on inspirational women working in music. We will be exploring the concept of ‘identity’ – the various elements that shape us.

### RE- Christianity and Sikhism

We will continue exploring how events in history have shaped beliefs in Christianity and then we will be learning about Sikhism and what kind of world should we live in?

### PE- Athletics

*Adapt running through speed and stamina, develop throwing for a purpose, jump for a purpose and compete against others or oneself.*

### English

In English we will be writing narratives of twisted fairy tales and a balanced argument. In Guided reading, we will be reading Tom’s Midnight Garden and inferring from the text.

### PSHE - Relationships

We will be exploring relationships with ourselves as well as online and with technology.

### Science- Electricity

This term, Upper School will be learning all about electricity; focussing on appliances that run on electricity, insulators and conductors and constructing electrical circuits.

### Maths

Y4 – Place Value, Addition and Subtraction and Multiplication and Division.

Y5 – Place Value, Addition and Subtraction and Multiplication and Division.

Y6 – Four operations, Fractions and algebra.

### How to help your child at home

Reading is so important in every year at school and so, they will need to continue to read regularly with an adult at home and ensure their reading record is signed accordingly.

You can also encourage your children to improve their quick recall of their times tables by practising at home and playing the Times Table Rockstars (TTRS)!
